2004 Key Activities

**Distinguished Lecture Series: Education and HIV /AIDS**, by Prof Brendan Bain on 9th July 2004, at Mumbai. Prof. Bain is from the University of the West Indies, Jamaica. This lecture also marked the launch of **Avni Health Foundation**. We had an audience of about 120 people representing the government, private organizations, NGOs.

**Brown Bag Lecture series: Teacher as a Counselor**, by Mrs. Pauline Bain, on 10th July 2004, at Mumbai. About 110 teachers from one of the largest schools of Mumbai attended the lecture. The school has about 12000 children spread across several classes from both morning & afternoon shifts put together.

**Project ME**: Life Skills as an integral part of education a project in Mumbai schools developed by the Foundation. The project funded by Podar High School began in 2004. In phase I, we have covered 5th grade children of the School.
